Numerous riders failed to sign in for the road race. Riders failing to sign in for the criterium stage as required by rule 3H6(a) will incur a \$20 penalty per 8A5(L).

All juniors including juniors racing in category are required to roll out before the start of the criterium. There will be no roll out after the finish unless there was a wheel change during the race.

The following riders failed to roll out before the start of the road race: 910, 736, 931, 295, 292.

For the field finish of the Men's Cat. 3 road race; all riders finishing with the Men Pro/1 field will receive pack time.

Any rider who did not complete the entire road race distance will not be allowed to start the criterium in fairness to those who completed the entire distance per rule 3H1.

Center line warnings for the following riders: 907, 762, 743, 708, 757, 702, 710, 700, 657, 638

Warning issued to rider 151 who was observed pushing rider 159.

Rider 915 observed littering after being warned about litter at the start; \$20 penalty.

Rider 908 observed riding with rider 331. Rider 908 must talk with Chief Referee prior to the start of the criterium.
