

VALLEY OF THE SUN

COMMUNIQUE' NO. 2

PHEONIX, AZ USA – 15-17 Feb 2013

1. Rider #955, Thomas Jessop, Major Motion, must see the Chief Referee before starting the Road Race. Failure to do so will result in disqualification.
2. Riders 761, Jose Valezco and 762, Jose Nicola were reported to be drafting off one another. Although this couldn't be verified, This is not in keeping with the spirit of an INDIVIDUAL Time Trial. Both riders are warned.
3. Rider 523, Kurt Bickel was observed flirting with drafting during the TT. Rider is receiving a warning.
4. Frame number and both body numbers are required for the RR and Crit.
5. Sign-in is required for the RR and Crit.
6. The RR start time for the Men Cat 5 race is 0810. The 0815 time will not be used. The MM 55+/65+ start time remains 0820.
7. No personnel vehicle support during the RR. Neutral support will provided for all fields.
8. All Juniors, regardless of category will rollout before the race. You will have a colored dot placed on your spokes. If you use the same rear wheel in the crit and the dot is still attached, just show the official the dot and you won't need to rollout before the race. Everyone will proceed to rollout immediately after the crit for rollout.
9. Please review the Technical Guide for parking instructions at the RR. The first wave parks east of the Start Line and the second wave parks west of the Start Line. Drivers departing from the first wave will continue East after the race to exit the venue. No one will be permitted to do a u-turn. Drivers arriving for the second wave must be cognizant that riders may still be racing.

10. Racers should continue to the start area after their race. Do not hang out around the Finish Area. Do not talk to the officials at the finish unless called over by them. Per USAC rules and the Tech Guide, racers have until the start of the next stage to protest results.
11. The Criterium start time for the Men Cat 5 race will be 0745. The remainder of the schedule remains unchanged.
